## ORDER YOUR PROTECTION MASKS

All our masks have a CE certificate and are suitable for sale in the European market. But at Duomed Group, we go one step further. We have subjected our masks to additional quality tests.

### Tested and approved

The **Danish Technological Institute** has tested our masks for breathability, bacterial filtration efficiency and microbial purity.

## ABOUT DUOMED GROUP

Duomed Group is active in the distribution, installation and maintenance of medical equipment and accessories in the healthcare market.

Backed by the years of experience of our employees, we are the permanent local partner for hospitals and private practices in 7 European countries. All products in our portfolio meet our very strict quality requirements.
