INVITATION

11th Update Symposium Cardiopulmonary Exercise Testing

Saturday March 26th, 2022 at Acertys

The Working Group on Cardiovascular Prevention and Rehabilitation of the Belgian Society of Cardiology joins forces once again with Acertys Healthcare to organise the **11th Update Symposium Cardiopulmonary Exercise Testing**.

Theoretical background and practical issues concerning exercise tests will be presented and discussed, together with some interesting case studies.

Due to the multidisciplinary character of these exercise tests, this course is intended for cardiologists, pulmonologists, sports doctors, physiotherapists, nurses, students and technicians.

LECTURERS

Prof. Dr. Philippe van de Borne - President of the BWGCPR

Prof. Dr. Céline Dewachter - Erasme ULB

Dr. Erwin de Bliiek - UZA

Prof. Vitalie Faoro - FSM ULB

Prof Eric Derom - UZ Gent

M. Michel Lamotte - Erasme ULB

ACERTYS

part of the Duomed Group

PROGRAM

- 09:00-09:30** Registration
- 09:30-09:35** Welcome by Prof. Dr. Philippe van de Borne (president of the BWGCPR)
- 09:35-10:35** Plenary Session: Heart failure and pulmonary hypertension: the place of ergospirometry by Prof. Dr. Céline Dewachter (Erasmus ULB)
- 10:35-11:00** Coffee break
- 11:00-12:00** Workshop Session 1
- 12:00-13:00** Workshop Session 2
- 13:00-14:00** Sandwich lunch & BWGCPR meeting

WORKSHOPS

Workshop 1: The basics of ergospirometry – Demo of real CPX test
Dr. Erwin de Bliëk (Cardiology, UZA)

Workshop 2: Determination of thresholds - Prof. Vitalie Faoro (FSM ULB)

Workshop 3: Cardiac versus Respiratory limitations: how to differentiate - Prof. Eric Derom (UZ Gent)

Workshop 4: How to prescribe exercise in HFpEF patients - M. Michel Lamotte (Erasmus ULB)

PRACTICAL

What? 11th Update Symposium - Cardiopulmonary Exercise Testing

Where? Acertys offices @ Oeyvaersbosch 12, 2630 Aartselaar
