# Boosted Maneuverability

## Ergonomic experience

A new scope tubing paired with a light-weight handle, the upgraded 550 series scopes offer great comfort and ease during routine and complex operations, helping to shorten the procedure time, and to reduce both patients' discomfort and yours.

## Fulfilling visual field

After an easy intubation, observe to full extent owing to the scope's short bending radius and large field of vision. Diagnose and treat with confidence, thanks to its water jet function and generous instrument channel.

## Ingenious design

One-Touch connection, and real water-proof, the 550 series scopes can be plugged and unplugged, cleaned and disinfected straightforwardly at a minimal risk of water damage by mismanipulation, which indeed lightens your team's workload.
